SUMMARY:

Newly certified Full-Stack Software Developer seeking employment with an organization that values exceptional work ethic, professionalism, high-character and determination. Beginning a new career in software development after spending 5 years as a professional baseball player with the San Diego Padres, where character traits such as being a strong team player, and leadership on and off the field contributed to a positive culture. Shows strong ability, aptitude and passion for software development. Described by the San Diego Padres management as "a 1%er and would make an excellent candidate in whatever field of employment he chooses to pursue".

TECHNICAL SKILLS

Programming Languages: JavaScript(ES6), HTML, CSS

Libraries & Frameworks: Node.js, React, PostgreSQL, ExpressJS, Bootstrap
